HOME SHARE OPPORTUNITY

Share your heart, share your home

Bethesda Christian Association supports people with disabilities and their families. Our Mission is walking alongside families, and serving people of all abilities, experiencing the joys and challenges of life together. Our Vision is to see people of all abilities belonging to interdependent communities where they are valued and empowered to share their essential God-given skills and abilities. Bethesda's ministry is a Christian faith-based service.

Home Share is a family-style arrangement where a family or single person cares for an individual with intellectual disabilities in their home, providing 24-hour care.

Bethesda is looking in both, the **Chilliwack** and **Abbotsford** areas for dedicated people, couples or families who have a calling in their heart for this kind of unique work.

*A compatible placement enriches
the lives of the individual and the lives of the home share family.*

A suitable contract will be established. Bethesda will provide ongoing support to the person/couple/family providing care.
