HOME SHARE OPPORTUNITY

“SHARE YOUR HEART – SHARE YOUR HOME!”

Bethesda Christian Association supports people with disabilities and their families. Our Mission is walking alongside families, and serving people of all abilities, experiencing the joys and challenges of life together. Our Vision is to see people of all abilities belonging to interdependent communities where they are valued and empowered to share their essential God-given skills and abilities. Bethesda’s ministry is a Christian faith-based service.

Home Share is a family-style arrangement where a family or single person cares for an individual with intellectual disabilities in their home, providing 24 hour care.

*A compatible placement enriches the lives of the individual
and the lives of the home share family.*

Bethesda is seeking a loving, Christian home in the Smithers area for a friendly and outgoing woman in her early 30’s. She enjoys being active in her community through her employment and various leisure activities such as swimming and bowling and equally values home-based activities such as card games and coloring and visiting with friends.

Financial compensation will be through a contractual arrangement with Bethesda. Bethesda will provide ongoing support to the person/couple/family providing care.
